

## GEAR GUIDE

**HOMEGROWN  
TRAILERS  
EXTENDED  
OFF-GRID  
PACKAGE****\$39,500**

Homegrown has cheaper models, but this one lets you run away for days. It's a wooden cabin on wheels insulated with wool and powered by the sun. Includes water filter and composting toilet.

ERIN SCHEDLER

# Gotta-get-it gear

If preparedness is king when camping, creativity is queen. Whether you're well off the beaten path or just barely beyond the grid, there's bound to be a situation that has you in a bind. These multitasking gadgets have genius built-in, to get you out of that bind and back into your adventure. From walls to wears to wares, **Kris Millgate** has your packing list for this summer's camp trip.
